Few college presidents live as close to the hearts of the students with whom they come in contact as does President W. O. Thompson. For more than 40 years he has been actively identified with education, and for about 35 of those years he has been a college president, 25 of them here at Ohio State.

The "Big Ten" and How it Grew

The Western Intercollegiate Conference, now popularly known as the "Big Ten," was organized on January 11, 1895, by presidents of seven middle western universities, meeting in Chicago to consider the regulation of intercollegiate athletics.

Members of the Conference as its inception were: Chicago, Illinois, Michigan, Minnesota, Northwestern, Purdue and Wisconsin.

Indiana and the State University of Iowa were admitted on December 1, 1899.

Ohio State University is the junior member of the "Big Ten," having been admitted to membership on April 6, 1921.

Michigan withdrew from the Conference on January 14, 1908, accepted an invitation to return on June 9, 1917, and resumed membership on November 20, 1917.

Precedent and resolutions rather than a written constitution are the agenda of control in the Western Intercollegiate Conference. Each member institution has a faculty representative entitled to one vote. No person who receives pay for services connected with athletics or the Department of Physical Education is eligible to sit as a Conference representative.

Annual meetings are held in Chicago in December. Called meetings are held as necessity arises. A majority vote of representatives passes any measure, but all legislation must go to the faculties of the member institutions for approval. Any measure rejected within 60 days by one or more faculties must be reconsidered at the next meeting of the Conference. The measure becomes operative, however, if again passed by a majority vote and any institution rejecting it a second time is subject to suspension from the Conference.

Changes in Football Rules for 1924

Most of the changes in the football rules this year deal with minor details of phrasing. An attempt has been made to explain clearly a number of points upon which coaches and officials have been in dispute. Since the revised wording follows closely the interpretation that has been given by most good officials, it is unnecessary to give space to them here but to confine this article to changes of real importance.

ABOLITION OF ARTIFICIAL TEES AND CHANGE IN KICKOFF

All kickoffs this year will be made from the center of the field instead the kicking team's forty yard line as heretofore. All artificial tees, including scraping up of earth, have been abolished on the kickoff, all place kicks, and free kicks.

SHIFT PLAYS

This year's rule provides that on all shift plays, players must come to an absolute stop and remain stationary in their new positions sufficiently long to prevent any doubt in the minds of the officials regarding the legality of the play. In case of doubt, the play is to be ruled illegal and a five-yard penalty inflicted.

CHANGE IN POSITION OF BALL IN TRY FOR POINT

After a touchdown when a team attempts a try for point, the ball may now be placed on the three-yard line instead of the five-yard line as heretofore.

THE "SCREEN" FORWARD PASS

Under the forward pass rule this year, players on the team making the pass who are ineligible to receive the same must keep out of the way, after crossing the line of scrimmage, of defensive players who have an opportunity to intercept the pass. This is aimed to prevent the "screening" of the man about to receive a pass by guards, tackles, etc., getting in the way of defensive players who are trying to reach the ball.

DECLINING FORWARD PASS PENALTIES

Further additions have been made to the rights of the defensive team in declining forward pass penalties so that it is practically necessary for the ball to touch the ground before a team can not decline the penalty for infraction of the forward passing rule. The committee has also increased the penalty for intentional grounding of forward pass from ten to fifteen yards.

ON-SIDE KICK

On-side kicks have been more definitely legislated again by saying that if a kicked ball crosses the scrimmage line, no one of the kicker's side can touch or recover the ball without penalty until it has touched an opponent, but any man may recover a kicked ball which has not crossed the line of scrimmage.

SUBSTITUTIONS

In order to speed up the game, the referee may now arbitrarily order the watch to be kept running, when in his opinion the number of substitutions, at any given time, is so great as to become a nuisance. Formerly, whenever any substitute went in, time automatically stopped. The captain of a team may now also ask for time out without penalty four times during each half, but each additional request for time out will be penalized by a distance of five yards instead of two yards as heretofore.

WHISTLE AND PISTOL

The rules committee has officially decreed that no one but the referee may use a whistle whereas formerly it was merely recommended. Other officials must use a horn or some other means of signaling so that there is no chance of confusion in the minds of the players. The rules committee has also recommended that the time keeper shall shoot off a pistol to notify the referee of the expiration of time.

UNSPORTSMANLIKE CONDUCT

Officials have been given the added power to penalize a team for the unsportsmanlike conduct of "anyone connected with the team" as well as players to which it has been limited heretofore.

"A-B-C-stuff"

In college a fellow is handed a mass of facts—some of them simple and fundamental, others complex, intricate and hard to remember. *Get your fundamentals fixed.*

For instance, it is easy to grasp once and for all time the fundamental of good paving—*THE "ABC" PAVEMENT*—

ASPHALT for *Filler* because it makes the traffic-bearing surface a water-proof, flexible armor not subject to the cracks which follow rigid slab construction, and because repair costs are insignificant where each brick is an easily removable unit.

BRICK for *Surface* because it furnishes the best surface for for traffic; *hard*, but not brittle—*tough*, but not rough—*dense*, and non-absorbent—*smooth*, but not "slick;" because its fire-hardened toughness resists wear and tear so sturdily that upkeep expense is squeezed to a minimum and because any margin of higher first-cost is speedily offset by low maintenance, long life and uninterrupted service.

CONCRETE, CRUSHED ROCK, CRUSHED SLAG OR GRAVEL for *Base* because some one of these bases meets any conceivable sub-soil condition, and with a bedding course of sand or screenings makes the best sub-structure yet developed for modern street or highway traffic.

"Chic" Harley

THE HARLEY TROPHY

As long as football is played at the Ohio State University, the name of "Chic" Harley will continue to symbolize the rise of Ohio State from football mediocrity to a secure place among the gridiron powers of the land. It is eight years since "Chic" first wore a varsity uniform but he is still the standard of comparison by which the football men of each succeeding generation are measured.

Through no fear that time would dim the luster of his name, but with a desire to perpetuate his fame in some tangible way, the Boost Ohio Committee, of the University, provided the Harley Trophy (pictured on the cover) to be awarded annually to the Columbus high school whose team wins the city championship. It went last fall to North High.

It is particularly fitting that the trophy was set up for Columbus competition, for it was here that "Chic" made his first bid for fame. Although it was East High with which he was primarily identified, he belongs, in a sense, to all the Columbus high schools.

"Chic's" high school record, strangely enough, was analogous to his career at Ohio State. He captained the team in his senior year, just as he did later here on the campus. His team was unbeaten while he played on it except in the final game with North on Ohio Field. In his three years of varsity competition—1916, 1917 and 1919—the Buckeyes were unbeaten save in the final heart-breaking game with Illinois, also played on Ohio Field, in which the Illini won in the last eight second of play.

The 1916 and 1917 Ohio State elevens brought the first Western Conference championships to Ohio State. That of 1919 was headed for another until Illinois negotiated its field goal in that final minute of play. Harley's deeds in connection with the winning of those championships are still fresh enough in the public mind to require no further recounting here. He was not only the first Ohio State football man to be chosen on an All-American team but he was the first Ohio State athlete to win letters in all four major sports. In the latter respect his achievement has never been equalled here. He is also one of the joint holders of the Western Conference record for the 50-yard dash indoors, and played in the outfield on Ohio State's first championship Western Conference baseball team in 1917.

The Harley Trophy is the work of a French artist. It is valued at approximately \$2000. It is a perpetual award in that it can never be won permanently by any one school. It is a memorial worthy of a champion in the best sense of the term—"Chic" Harley, the super-man among Ohio State athletes of all generations, unassuming as he was unafraid, a gentleman in all that the word implies.

C. C. CRABBE

REPUBLICAN CANDIDATE FOR ATTORNEY GENERAL

(Second Term)

Attorney General Crabbe has stood loyally by O. S. U. As a member of the General Assembly he sponsored the one-eighth mill levy to carry out our building program.

When the present Governor vetoed the \$200,000 appropriation to the university, General Crabbe was appealed to and he aided in restoring this appropriation.

When an effort was made to close the Co-op store, again Attorney General Crabbe came to our rescue.

O. S. U. believes in loyalty. May she remember the services of Attorney General Crabbe on November 4.

Half of the game is living it over from the State Journal account the next day.

The whole story, for this game and every other one of importance, will be told by the best sport writers in tomorrow morning's State Journal.

Here's Our Hand, Wesleyan!

Something of a sentimental interest attaches to the annual football game between Ohio State and Ohio Wesleyan that is just a little bit different from any other football relationship with which Ohio State is concerned.

It was an Ohio Wesleyan team, back in 1890, which helped to introduce football to Ohio State as a 'Varsity sport. With few interruptions, the relationship has continued unbroken. Ohio Wesleyan is not only the oldest football foe in Ohio State's history but Ohio Wesleyan teams have played Ohio State elevens more often than those of any other school.

Further than that a new significance has attached itself to the relationship since Athletic Director St. John came to Ohio State. Just prior to taking up his duties here he was athletic director at Ohio Wesleyan. In 1910 and 1911 the teams he coached at Ohio Wesleyan extended Ohio State to the utmost to win. In fact, a good many unprejudiced observers are still inclined to think that Ohio State's 3 to 0 victory in 1911 was a "fluke."

Since its admission to the select circle of the Western Conference, Ohio State naturally has retained a closer relationship with Ohio Wesleyan than with any other Ohio Conference institution, not only because of its proximity but because of the long and honorable connection.

The relations between the two schools are on a high plane. A hard contest is always assured when their teams get together. Ohio State is always glad to welcome Ohio Wesleyan to Columbus.

CARMEN OHIO

Words and Music by
Fred Cornell, ex-'06

(Hats off, standing)

O, come, let's sing Ohio's praise
And songs to Alma Mater raise;
While our hearts rebounding thrill
With joy that death alone can still.
Summer's heat or winter's cold,
The seasons pass, the years will roll;
Time and change will truly show
How firm thy friendship—Ohio.

The e jolly days of priceless worth
By far the gladdest days on earth,
Soon will pass and we not know
How dearly we love Ohio.
We should strive to keep thy name
Of fair repute and spotless fame;
So in college halls we'll grow
And love thee better—Ohio.

Alumni Chorus

Tho, age may dim our mem'ry's store,
We'll think of happy days of yore,
True to friend and frank to foe,
As sturdy sons of O-hi-o.
If on seas of care we roll,
'Neath blackened sky, o'er barren shoal,
Thots of thee bid darkness go,
Dear Alma Mater—O-hi-o.
(All in on last Ohio.)

THE BUCKEYE BATTLE CRY

Words and Music by Frank Crummit

In old Ohio there's a team,
That's known thruout the land;
Eleven warriors, brave and bold,
Whose fame will ever stand,
And when the ball goes over,
Our cheers will reach the sky,
Ohio Field will hear again
The Buckeye Battle Cry.

Drive! Drive on down the field,
Men of the scarlet and gray;
Don't let them thru that line,
We have to win this game today,
Come on, Ohio! Smash thru to victory,
We cheer you as we go;
Our honor defend
So we'll fight to the end
For Ohio.

ACROSS THE FIELD

Words and Music by
W. A. Dougherty, Jr., '17

Fight that team across the field,
Show them Ohio's here,
Set the earth reverberating with a
mighty cheer.
Hit them hard and see how they fall;
Never let that team get the ball
Hail! Hail! the gang's all here,
So let's beat that Wesleyan now.
Oh, Ohio! Oh, Ohio! Wa-hoo! Wa-hoo!
for Ohio!

THE CHANT

Oh, Buckeye,
O-HI-O!

O—Ra—Rah Rah,
O—Ra—Rah Rah,
Young!
Tee Young,
Rah Rah Rah!

O—Ohio, Ohio,
The Hills send back the cry,
We're here to do or die
For Ohio Ohio
We'll win the game or know the reason why!
And when we've won the game, ' tell you
what we'll do,
We'll yell for old Ohio
'till we wobble in our shoes.
Repeat first 5 lines.

OHIO WESLEYAN

OHIO WESLEYAN

Wesleyan, let us all unite and sing,
Wesleyan, we praise her worthy name,
Wesleyan, world-wide her accents ring,
Wesleyan, with still increasing fame.

Chorus

Ohio, come cheer for Wesleyan;

Chorus

Red and Black are the colors waving high,
Red and Black, they hold victorious sway;
Red and Black, win first place is our cry,—
Red and Black, we laud thee ev'ry day.

Chorus

ALMA MATER SONG

Oh, we're from dear old Wesley'n,
The school to us most dear;
It's the place we love the best,
Finest school in East or West;
So we will hail the name we all revere.
We love our Alma Mater,
Her glories we will tell:
In everything we take the lead
Sport and thought and noble deed;
And so for Wesleyan we'll give our yell:
"Rah! Rah!"

Chorus

So here's to old Wesley'n,
Loud we will sing!
We'll drink a toast to Wesleyan
From the good old Sulphur Spring.
Then here's to old Wesley'n,
Join every man!
We'll drink a toast from the Sulphur Spring
To Wesleyan!
Her students all are loyal,
They're for her to the man;
The men are manly, brave and true,
They're the ones to dare and do—
The kind of men you'll find at Wesleyan.
And then, there's the ladies,
Who grow to us most dear:
They're the pride of old Monnett,
Sweet and beautiful, you can bet,
And now for them we'll give a hearty cheer:
"Rah! Rah!"

Chorus

College Football as an Industry

College Football is correctly classified as the purest of sports. Yet so enormous is the interest it creates, that one has only to regard some of the incidental effects produced by it, to realize that it constitutes a true industry as well.

Take the program in which this is printed:—

Not every spectator at a football game desires a program; yet to satisfy the crowds at Ohio State's six home games this year, 100,000 programs will be required.

Into the making of those programs will go 113,400 sheets of paper, each 32" x 44" in size. The weight of this paper will total 18,000 lbs. or nine tons.

The total area of the paper involved is 1,108,800 sq. ft., or a little less than 26 acres. This would be sufficient to roof over from wall to wall, two structures the size of the Stadium and leave a generous excess to carpet the infields with.

Laid end to end, the paper sheets would extend nearly 79 miles. Or, laid in a double row, they would pave an automobile track 39-1/2 miles long.

To print these sheets and place three colors on the covers, will require 455,000 press impressions. The press cylinders will have an approximate travel of over 1000 miles in producing these impressions.

Over 3-1/2 miles of wire will be consumed in the seemingly insignificant bindery stitches.

Here is indeed a romance of industry—the labor of many men, loggers, paper makers, process engravers, compositors, printers and binders—called into activity by but a single phase of the interest in college football.

And because of the news nature of these programs, an average of only five days is allowed for the printing and binding of each one.

For printing and binding the Ohio State football programs this year, those in charge have turned to

The Big Six DUPLEX-PHAETON

—there is no other seven-passenger car like this!

THE NEW DUPLEX-PHAETON, was first introduced by Studebaker, September fourteenth. It is the sensation of the industry.

It has solved the closed-open car problem.

With the over-lapping side enclosures in place it has the comfort and protection of the closed car. The cushions are deep, wide and soft; the interior finish and fittings suggest the closed car in richness and elegance. It has the riding comfort of the sedan.

With a touch of the hand you roll the side enclosures into the steel-framed roof—and you have the vision and freedom

of the open car—yet it gives you comfort, elegance and easy-riding luxury that no open car can ever give you!

The price is the same as the open car.

The seven-passenger DUPLEX-PHAETON mounted on the new Big Six chassis is the car unique—there is no other like it.

Always famous among seven-passenger cars, the NEW BIG SIX with its improvements and betterments, takes its place definitely among the finest six-cylinder cars made in this country.

In beautiful lines, high-grade appointments, impressive appearance there are few cars that can equal it at any price.

It is one of the very few cars specially designed and powered for seven-passenger service—the engine develops over 75 horsepower.

In operation and maintenance it is notably economical.

In material, workmanship and limits of precision it is unsurpassed. In essential fineness and quality no car can give you more real value—it is a masterpiece of one of the most modern and complete factories in the entire automobile industry.

As such, it is a leader in every sense of the word. See it with this thought in mind—and see the new DUPLEX BODY!
